WHICH CCSPCA CANIDATES ARE YOU INTERESTED IN FOSTERING?

_____Animals recovering from minor injuries: Animals with injuries that are not likely to complicate and will heal in a reasonably short amount of time.

_____Animals too young to be adopted: This would include animals that are weaned and old enough to vaccinate but are under 7 weeks old.

_____Animals with minor behavioral problems: Any animal who has a behavioral problem that can be resolved through mere socialization and/or routine training.

_____“Unattractive” animals: Healthy, socialized animals who have a temporary condition affecting their physical appearance.

_____Under-socialized animals: Some animals who don’t adjust well to the shelter environment may simply need the comforts of a home environment.

Please list any questions or concerns: _____
